INSTRUCTIONS

for foreign vessels regarding the exchange of foreign currencies.

1.	It is prohibited within the boundaries of the Republic of Poland to take ashore f	rom a foreign vessel,
	or to bring on board from the shore, foreign currencies or any valuable effects,	such as foreign bills,
	gold, platinum etc. without the permission of the Custom House.	

- 2. Permission for such foreign currencies or effects to be taken ashore, is granted by the Customs Office, but any foreign currencies to be exchanged either at the Custom House or at the Narodowy Bank Polski (Polish National Bank).
- 3. Any infringement of this regulation incurs severe punishment.
- 4. Any cash to Captain resp. members of crew received from the ship's agent in Polish currency (Zloties) must be spent or returned to the ship's agent before ship's departure. The export of Polish currency is strictly prohibited and punishable.
- 5. The Masters of foreign vessels are requested to inform all members of the crew accordingly.
